

EXTRA ACTIVITIES

Here are some extra activities to inspire you to keep building and learning!

1

Create a whole robot family! Use the "Robot Head" templates for inspiration or draw your own!

2

Build a house for your robots out of a cardboard box!

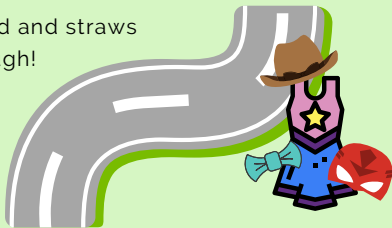

3

Construct a path with cardboard and straws for your robots to wobble through!

4

Design costumes to dress up your robots with paper, felt, or fabric.

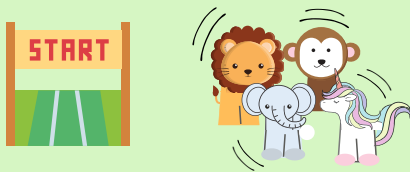

5

Host a race for your robots!

6

Build a zoo with exotic robotic animals!
